GREETINGS BROTHERS:

I would be honored to continue serving on the board Morehouse College Atlanta Alumni Association and take on the role of President. Morehouse College is dear to my heart and fundamental to my growth as a man. For the past two years, I have served as Recording Secretary and learned a wealth of knowledge from the current administration as it relates to building relationships, setting and accomplishing chapter goals, and collaboration.

My professional work is in the Tech Industry, where I manage projects with two of the top 3 revenue-generating products for my company Randall-Reilly (now Fusable). In my community I have held positions as Co-Leader with the Young Adult Ministry at New Life Church in Decatur, and currently a Men's small group leader and Guest Experience at Victory Church.

As president, I will continue to focus on:

1. Alumni engagement and increasing membership;
2. Student engagement and;
3. Civic service and engagement

Sincerely,
